Memeria converts your
old photos to digital photos

FAST

Our trained specialists use commercial scanners to scan over **1000 pictures per hour.**

CONVENIENT

We do **housecalls!**
Do you really want to package up all those photos and take them out in the weather?

We come to you, and your treasured memories never leave your home.

KNOWLEDGEABLE

Our business is digitizing. We make amazingly **high-quality** digital photos that can be used for reprints, greeting cards, imprinted gifts and more.

THE MEMERIA PROMISE

Your memories are precious.
Your home is special.
We treat them both with care.

Thank you for allowing us to serve you.

Here's how:

1. Call 1-888-Memeria to make a housecall appointment.
2. Our professional imaging specialists come to you and digitize your physical photos—usually takes about 1 hour.
3. You receive a DVD with digital versions of your photos
